DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance: None of the prior art of record alone or in combination teaches or fairly suggest applicant's claimed invention for the following reasons. Particularly in independent claims 1 and 6, applicant claims the details of a decorative light assembly further including "the electrical wire includes at least two intertwined electrical wires, and the wire coil extends between intertwined electrical wires" as claimed in claim 1 and "said attaching step includes extending the wire coil through at least two intertwined wires of the electrical wire" as claimed in claim 6. None of the prior art of record even suggest attaching at least two intertwined wires including a plurality of light bulbs to a "wire coil". The wire is coiled so that it and expandable and retractable to its original coiled shaped as shown in figure 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

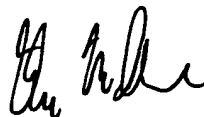

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas M. Sember whose telephone number is 571-
